

6th Annual EFCS Tutorial, Guimarães, Portugal

Monday 14th October 2013

08.30 - 09.00 Introduction

09.00 - 09.30 Pretest: Torill Sauer

09.30 - 10. 30 *Lecture*: Maj Liv Eide

Gynaecological cytology: technical aspects including preparation of liquid-based cytology (LBC), staining and troubleshooting

10.30 - 11.00 Coffee break

11.00 - 11.30 *Lecture*: Giovanni Negri

Conventional smears and LBC: similarities and differences

11.30 - 12.00 *Lecture*: Maj Liv Eide

Non-neoplastic gynaecological cytology

12.00 - 13.00 **Workshop**: Non-neoplastic lesions, LBC and conventional smears (G. Negri, L. Di Bonito and M-L.Eide)

13.00 - 14.00 Lunch

14.00 - 14.30 **Workshop** (continued): Non-neoplastic lesions, LBC and conventional smears (G. Negri, L. Di Bonito, and M-L.Eide)

14.30 - 15.10 *Lecture*: Luigi Di Bonito

Squamous cell lesions (SIL) and cancer

15.10 - 16.10 **Workshop**: SIL and cancer (L. Di Bonito, G. Negri and M-L. Eide)

16.10 - 16.40 Coffee break

16.40 - 17.10 **Workshop** (continued): SIL and Cancer (G. Negri, L. Di Bonito, and M-L. Eide)

17.10 - 17.30 *Lecture*: Giovanni Negri

ASC-US, ASC-H, diagnostic pitfalls and look-alikes

17.30 - 18.30 **Workshop** ASC-US and ASC-H (G. Negri, L. Di Bonito, and M-L. Eide)

19.00 - 21.00 Reception

Tuesday 15th October 2013

8.30 – 9.00 *Lecture*: G. Negri

Glandular lesions of the cervix

9.00 -10.30 **Workshop**: Atypical glandular cells and adenocarcinoma (G. Negri, L Di Bonito and M-L. Eide)

10.30 - 11.00 Coffee break

11.00 – 11.30 *Lecture*: Christine Bergeron

New technology in cervical cytology and screening

11.30 -13.00 **Workshop**: New technology in cervical cytology (C. Bergeron)

13.00 -14.00 Lunch

14.00 - 14.30 *Lecture*: Amanda Herbert

Cervical cancer audit and EU guidelines on quality control

14.30 - 15.30 **Workshop**: Invasive cancer audit (A. Herbert)

15.30 - 16.00 *Lecture*: Maj Liv Eide

Methods and preparatory techniques in non-gynaecological cytology (special stains, cell blocks, ICC, ISH, other molecular methods)

16.00 - 16.30 Coffee break

16.30 - 17.00 *Lecture*: Ambrogio Fassina

Urine Cytology

17.00 - 18.30 **Workshop**: Urine cytology (A. Fassina)

Wednesday 16th October 2013

08.30 - 09.00 *Lecture*: Torill Sauer

Cytological diagnostics of breast FNAC

09.00 - 10.30 **Workshop**: Breast FNAC (T. Sauer)

10.30 - 11.00 Coffee break

11.00 - 11.30 *Lecture*: Fernando Schmitt

Bethesda classification of thyroid FNAC and EFCS working party report

11.30 - 12.00 *Lecture*: Fernando Schmitt

Thyroid FNAC

12.00 - 13.00 Workshop: Thyroid FNAC (E. Mendonça, F. Schmitt)

13.00 - 14.00 Lunch

14.00 - 14.30 **Workshop**: Thyroid (E. Mendonça, F. Schmitt)

14.30 - 15.00 *Lecture*: Fernando Schmitt

Immunocytochemistry and molecular diagnostics in cytology

15.00 - 15.30 *Lecture*: Adhemar Longatto

Effusions, including immunocytochemistry

15.30 - 16.00 **Workshop**: Effusions (A.Longatto)

16.00 - 16.30 Coffee break

16.30 - 17.30 **Workshop**: Effusions (A. Longatto)

Visit to the Museum and dinner

Thursday 17th October 2013

08.30 - 09.00 *Lecture*: Ambrogio Fassina

Respiratory Cytology, including EBUS

09.00 - 10.30 **Workshop**: respiratory cytology including EBUS (A. Fassina)

10.30 - 11.00 Coffee break

11.00 - 11.30 *Lecture*: Ricardo Fonseca and Helena Oliveira

Biliary tract and Pancreas Cytology, including EUS-FNA

11.30 - 13.00 **Workshop**: Biliary tract and pancreas cytology (R. Fonseca/ H. Oliveira)

13.00 - 14.00 Lunch

14.00 - 14.30 *Lecture*: Mufaddal Moonim

Lymph nodes: lymphoma, metastases and non-neoplastic conditions

14.30 - 15.30 **Workshop**: Lymph nodes, lymphoma, metastases, non-neoplastic conditions; salivary glands (M. Moonim, A. Chandra, E. Mendonça)

16.30 - 17.00 *Lecture*: Ashish Chandra

Salivary gland FNAC

16.00 - 16.30 Coffee break

16.30-17.30 **Workshop**: Lymph nodes, lymphoma, metastases, non-neoplastic conditions; salivary glands (M. Moonim, A. Chandra, E. Mendonça)

17.30 - 18.30 *Case presentation with projecting microscope (interactive session)*: M. Moonim:

Friday 18th October 2013

08.30 - 09.30 *Case presentation with projecting microscope (interactive session)*: A. Chandra

09.30-10.30 **Workshop**: Lymph nodes, lymphoma, metastases, non-neoplastic conditions; salivary glands (M. Moonim, A. Chandra, E. Mendonça)

10.30 - 11.00 Coffee

11.00 – 11.30 *Lecture*: Helena Barroca

Paediatric cytology

11.30 – 13.00 **Workshop**: Paediatric cytology (Helena Barroca)

13.30 Post-test and feedback: Torill Sauer
