

How to add content to the EFCS site

Logging in

The screenshot shows the EFCS website interface. At the top, there is a navigation bar with links for Home, [Immuno Survey], Contact Us, and a search box. The main header features the EFCS logo and the text "THE EUROPEAN FEDERATION OF CYTOLOGY SOCIETIES". A red arrow points from the top navigation bar to the "Banner 1" area.

On the left side, there is a sidebar menu with links for Home, Forum, Documents, [Immuno Survey], Members, Links, and Search. Below the menu, there are sections for "Rovaniemi 2008" and "Lisbon 2009".

The main content area is divided into several sections:

- Latest News:** A list of news items including "Immunocytochemistry EFCS' Inquiry", "Officers 2007", "UNITED KINGDOM", "TURKEY", and "SWITZERLAND".
- EFCS Statute:** A section with the text "Written by Arigo Bondi" and a red box containing the instruction: "You can log in by the login form. If you don't have yet an user name and a password, ask for it, using the contact form in the top of the window".
- Home-made molecular biology:** A section with the text "Written by Arigo Bondi" and "Saturday, 25 August 2007".
- Madrid 2007:** A section with the text "Written by Administrator" and "Saturday, 30 June 2007".

On the right side, there are several widgets:

- Newsflash:** A section with the text "Images from the Paris and Venice Congresses : find yours!!".
- EFCS banner 120x60:** A blue and red banner.
- EFCS banner 120x90:** A green banner.
- Who's Online:** A section with the text "We have 1 guest online".
- Template Chooser:** A section with a dropdown menu.

A red box highlights the "Login Form" in the sidebar, which includes fields for "Username" and "Password", a "Remember me" checkbox, and a "Login" button. Below the login form are links for "Lost Password?", "No account yet?", and "Register". A red arrow points from the "Login Form" section to the "Banner 1" area at the top of the page.

How to add content to the EFCS site

The screenshot displays the EFCS website interface. On the left, a navigation menu includes links for Home, Forum, Documents, [Immuno Survey], Members, Links, and Search. Below this is the 'User Menu' which contains: Reserved, Doc summary, Your Details, Submit News, Submit WebLink, and Logout. The main content area features two articles: 'Perceptronix Launches LungSign. Com' and 'Spyglass(TM) Direct Visualization'. A red box highlights the 'User Menu' with the text: 'When you are logged chose your action from the "User menu"'. Another red box highlights the 'Submit WebLink' option with the text: 'Click here to change your password', 'Click here to submit news', and 'Click here to submit a link'. A red arrow points from the 'Submit WebLink' option to the 'User Menu' header. At the bottom, there is a pagination control: '<< Start < Prev 1 2 3 Next > End >>'. On the far right, a partial sidebar is visible with the heading 'Ne' and text: 'Biomod confirm continu unique the use porphyr detect (variatio'.

How to add content to the EFCS site

How to add a link

The screenshot shows the 'Submit A Web Link' form on the EFCS website. The form includes fields for Name, Section, URL, and Description. A dropdown menu is open for the Section field, showing categories like 'Web Sites of Societies member of EFCS', 'Societies, Professional Groups and Organizations', 'Journals of Cytology', and 'Business Companies Corporations and Sponsors'. A red box highlights a save icon, and a red arrow points to it with the text 'You must save to validate your submission'. Four numbered instructions are overlaid on the form: 1 - Type the title of the link here (pointing to the Name field), 2 - Select category here (pointing to the Section dropdown), 3 - Type the entire URL: http://site.com (pointing to the URL field), and 4 - Write a description (pointing to the Description field). The website header includes the EFCS logo and navigation links like Home, [Immuno Survey], and Contact Us. The footer contains copyright information: © 2007 EFCS - The European Federation of Cytology Societies. Contact WebMaster for info. Site developed with Joomla!.
