18<sup>th</sup> June 2008

Memorandum to Presidents of all European Societies

Dear Colleagues

A few places are still available for the 1<sup>st</sup> Annual European Tutorial at a delightful location near Dubrovnik. The provisional programme is attached. The special low price has been achieved with a grant from the EFCS and an agreement from the hotel that the course will be **fully residential**. For your convenience the fee of 250 Euro will be collected at registration and the hotel (99 Euro per night for single rooms or 59 Euro for shared rooms) paid on departure.

The tutorial will be suitable for trainee cytopathologists and senior non-medical cytologists (cytotechnologists).

It may be possible to allocate a few places for the first two days (gynaecological) or last 3 days (exfoliative and fine needle aspiration cytology) only. This may be agreed on request to one of us if a suitable number of applicants apply for these options.

Registration is available on-line through the EFCS website:-

<http://www.efcs.eu/content/view/74/1/>

Please direct any enquiries to Dr Torill Sauer (<mailto:tor-saue@online.no>) or Dr Amanda Herbert ([amanda.herbert@kcl.ac.uk](mailto:amanda.herbert@kcl.ac.uk)) using the subject for your email:- ***EFCS Tutorial 2008 Cavtat***.

Please encourage your trainees to register soon to avoid disappointment!

Yours sincerely

Torill Sauer

Amanda Herbert
